

# Program Fees - Wisconsin 2020

## Our Fee Structure Explained:

We have arrived at a new pricing formula that is the right fit for Wisconsin camps by:

- Lowering participant fees
- Requiring participants to make own travel arrangements
- Considering allowable lodging, meal and insurance deductions (If applicable)
- Eliminating alternative gateway surcharges

These simple changes significantly increases pocket money while keeping overall cost to your camp at affordable rates.

### Notes on Fees

- All staff selected are subject to a \$35 SEVIS tracking fee.
- Additional pocket money is payable according to the following schedule:
  - > Resident camps: First year staff are to be paid \$215 per week after the first nine weeks, including pre-camp.
  - > Day camps (weekends off): First year staff are to be paid \$215 per week after the first ten weeks, including pre-camp.
- All participants are required to make their own flight arrangements; camps are responsible for transportation to camp from agreed gateway.
- "Experienced Counselor" refers to an applicant who has successfully completed at least one season at a different camp on a designated J-1 camp counselor program.
- An additional fee of \$100 will be assessed for staff trained as American Red Cross lifeguards by Camp America.
- Camp America imposes a cancellation penalty for participants "dropped" without a valid reason. The cancellation penalty for 2020 is \$400 per participant.
- Fifty percent of the total amount payable is due June 1, and the balance on August 1. Since we make substantial payments for transportation, recruitment and other costs in advance of staff arrival, we assess a finance charge of 1.5% per month for late payments after September 1.
- Should Camp America encounter constraints with regard to allocation of U.S. State Department J-1 visa application Forms DS-2019, the program may accordingly set deadlines, quotas or other restrictions on applicant qualification for repeat counselor fee category.
