Notes on Fees

- All staff selected are subject to a \$35 SEVIS tracking fee.
- Additional pocket money is payable according to the following schedule: After the first nine weeks, including pre-camp, first year staff should be paid an additional \$215/week.
- All participants are required to make their own flight arrangements; camps are responsible for transportation to camp from agreed gateway.
- "Experienced Counselor" refers to an applicant who has successfully completed at least one season at a different camp on a designated J-1 camp counselor program.
- An additional fee of \$100 will be assessed for staff trained as American Red Cross lifeguards by Camp America.
- Camp America imposes a cancellation penalty for participants "dropped" without a valid reason. The cancellation penalty for 2022 is \$400 per participant.
- Two thirds (66%) of the total amount payable is due June 1, and the balance on August 1. A 3% finance charge will be assessed per month for late payments after September 1.
- Should Camp America encounter constraints with regard to allocation of U.S. State Department J-1 visa application Forms DS-2019, the program may accordingly set deadlines, quotas or other restrictions on applicant qualification for repeat counselor fee category.
- Camps electing to cover fees typically paid by participants to Camp America are subject to the participant refund policy, which includes some non refundable fees.
